Port Charlotte, Florida

Introducing the Forever Young Tap
Dancers...

We are a group of “young-at-heart” senior ladies who enjoy tap dancing. It gives us great pleasure to bring our love of dancing into the lives of others.

We perform at retirement centers, nursing homes, hospitals, and clubs throughout the Charlotte County community. Our shows are a combination of dance and song. The holiday season is by far the most popular time of the year we get requests for performances, but we are happy to do shows at other times throughout the year.

We also dance in the annual musical performance presented by Cul-Cen Productions, another all-volunteer organization. Together we help raise

money to support the Charlotte County Cultural Center.

Our performances are free-of-charge. Bringing smiles and joy to our audiences is payment enough because we simply love dancing and have so much fun sharing our passion. But we are happy to receive **donations** of any amount to help us purchase the material, notions, and accessories for creating our own costumes.

Typically our shows are about 45 minutes in length featuring a variety of dances and songs.

Our show requirements are few:

- ❖ *A hard surface floor we can tap dance on.*
- ❖ *An electrical outlet near the dance floor we can use for our musical equipment.*

❖ *A room we can use for costume changes.*

If you would like to schedule a performance by
the Forever Young Tap Dancers, please call:

Penny Jaekle
Program Director
941-764-8136

If you wish to make a donation to our dance
group, please call:

Doris Bates
Treasurer
